My Dashboard

After you log in, you can see the page of Dashboard.

The screenshot displays the 'My Dashboard' interface. At the top, there is a navigation bar with links for Home, Dashboard, My Courses, 快速連結, and 使用教學. A 'Customise this page' button and 'Hide blocks' / 'Full screen' options are also present. Below the navigation bar, the page is divided into several sections:

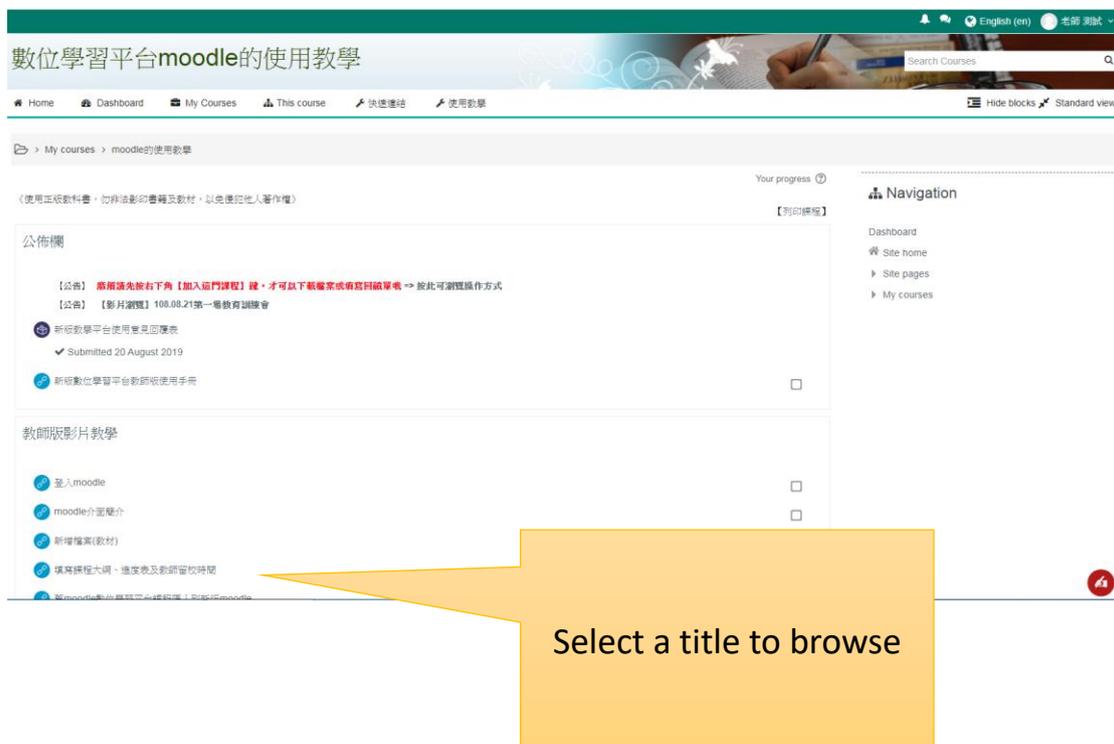

- 最新公告 (Latest Announcements):** A list of notices and teaching tips, including instructions for teachers to verify course details and students to use the platform correctly.
- 教學平台使用規範 (Teaching Platform Usage Guidelines):** A section detailing the platform's intellectual property policies and user responsibilities.
- Navigation:** A menu with links to Site home, Site pages, Courses, and Pages plugin.
- Administration:** A section for site administration, including a search bar.
- Course overview:** A section with tabs for 'Timeline' and 'Courses'. The 'Timeline' tab is active, showing a list of recent assignments and activities. A yellow callout box highlights the 'Timeline' and 'Courses' tabs, explaining that the Timeline shows recent assignments and activities, while the Courses tab shows all courses in progress.

Select “**My Courses**” on the top menu or on the right navigation menu to view all courses you enrolled in.

Entering a Course

After selecting a course title, you are able to enter the course and browse the course schedule and teaching materials.

Click **“This Course”** on the top menu to see all the activities in the course, such as assignments and quizzes.
